RE: New Medical / Activity / Media Releases

Beginning immediately, the new SCJ Medical, Activity and Media release forms are to be used for all new members. Please follow the guidelines below to implement the use of the forms so that all Chapters are in compliance with their use. All three of these forms are now available on the SCJ web site (www.scjdemoalay.org).

General Medical Release and Consent Form (#SCJ-RM-1)

For **all new** DeMolay members and Sweethearts and to replace **all** current medical releases that are on file. All Chapters will need to have this new form on file for each Member/Sweetheart by ACR filing 2010.

Consent Form and Approval to Participate in DeMolay Activities (#SCJ-RM2)

This form will be used for all DeMolay activities that require travel over 100 miles, are over-night or involve unusual risk. (*examples: Conclave, river rafting, paintball, camping, sailing / on-water fishing*). This form will be required for all Members and Sweethearts who attend Conclave.

Media Release Form (#SCJ-RM-3)

This form is to be used by any Chapter who wishes to use member photographs for web sites (including facebook), brochures, newsletters or other media.

Our goal for this program is to have all Chapters be in complete compliance with the use of the Activities Form by the end of our DeMolay Year at Conclave. The General Medical Release and Media Release are to be in full use by the end of 2010.

If you have any questions regarding the use of these forms please contact the SCJ office.
