

MISSION BRIEFING

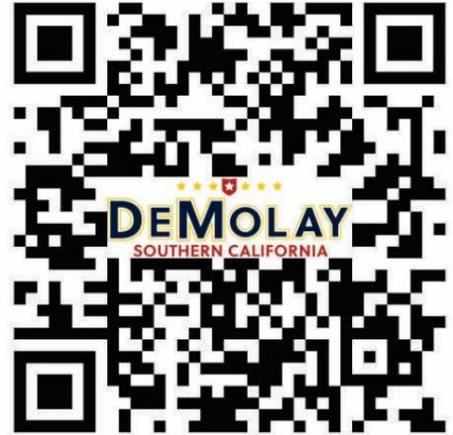

Southern California Jurisdiction Order of DeMolay

2020 – 6 - 1

Hello SCJ,

This year has been one for the record books. I think I can say for certain that we will remember this year for decades to come. This year has been tremendously difficult for many of us, but we always have to keep our graduates in mind. It may not be much comfort but CONGRATULATIONS!!! You did it! I know this year sucked but you are more prepared than you realize. This year has proven that you can do anything you set your mind to no matter what comes at you. Similarly, this jurisdiction will come out of this stronger than ever. We are constantly looking for new ways to interact and innovative, but we can't do that without your help and support. Once again Congratulations to our recent graduates our success is measured by the obstacles we overcome. The purpose of Our mission will not be altered, push forward and persevere until we can once again meet in person.

Eddie Mendoza, SCJ Master Councilor 2019-2020

Hello SCJ,

I know right now is a challenging time for all of us. But we will get through this, right now DeMolay is stronger than it has ever been. We are working together building through the bonds we have formed and showing just how amazing our brothers are. We will get through this, but not alone, it is okay to ask for help, it is okay to say I need help. Don't be afraid to reach out to your members, your brothers, your friends, check in with them, just make sure they are doing okay because we are a family and a family is always there to help.

Andrew Caster, SCJ Congress Secretary 2019-2020

Hi SCJ!

I hope all of you are staying safe during these crazy times. I miss all of you so much! I've had a lot of fun hanging out on the discord and playing on the minecraft server with a bunch of you. It's definitely not as fun as spending time with everyone in person, but it's just enough to keep me sane while in quarantine!

Just to give a little update on how I'm doing, I've been staying home just like everyone else. I'm not in school right now, so I've been keeping myself busy with baking, playing Minecraft, and making cards for the Covina Masonic Homes. I've also been spending tons of time with my family now that my dad is working from home, and I've even learned things about my dad that I never knew before!

I would love to hear from all of you with how you are doing, so please send an email to scjsweetheart2020@gmail.com to give me an update on how you've been!

I would like to give a quick shoutout to all of the high school seniors, as well as anyone else who is graduating or culminating this year. I can't imagine how hard this is for you, and please know that if you ever need someone to talk to, I am here. You all are so insanely strong and I admire your ability to get through this with your head held high.

We have fallen into unprecedented times, but I know that we as humans, and as an organization together, will come out of this strong, and we will be okay. Your mission, should you choose to accept it, is to stay safe and keep your head up. I hope you do accept it, because this mission is definitely possible. I love you all a lot!

Megan FitzGerald, SCJ Sweetheart 2019-2020

Hey everyone!

This quarantine has really brought new and different things to the light but one thing is still the same; kindness. I know that might sound cheesy but its real and important. We need to be more kind to each other than ever in this difficult situation where everyone is scared and we don't really know what's going on. You can go out of your way and get groceries for your neighbors or just simply do household chores that your other family members would usually do. Try to keep writing cards to whomever you think it would brighten their day (especially the Masonic Homes residents). What act you choose to do doesn't matter; what matters is that you choose to do it and have the right thing in your heart.
